Blessed are those whose lawless deeds are forgiven,

The Church of My Faith in God has established The Expungement Reform Movement to propose a resolution that would permit people who have had or those who wish to have expungements the ability to petition the court to have an arrest and conviction record resulting in an expungement sealed after five years from the date of their expungement and destroyed three years after the sealing of an expungement in the similar fashion as the California Penal Code Section 851.8 permits individuals to petition to have their arrest records sealed and destroyed prior to conviction. The proposal also seeks to modify California Penal Code Section 11105 to restrict disclosure of an arrest and conviction that has been dismissed pursuant to California Penal Code Section 1203.4. We have estimated the cost of this movement from human resources to campaign expenses to be at a minimum of \$2 million. We desperately need your help.

We appreciate any and all denominations and types of payment cash, check, cashier's check, money orders, and credit or debit cards. Please, support our cause by making a donation today.
